## Hampshire Village Series

A series of booklets compiled by Roy Montgomery on ancient rural parishes of Hampshire covering items such as a brief history, the church and non-conformists, schools, pubs and inns. The aim of the booklets is to help researchers develop their own knowledge by investigating further the various sources used, including the extensive holdings at the Hampshire Record Office and Hampshire Libraries. They are illustrated with a schematic map of the parish, a modern photo of the church and where possible an older photo of the church or village. This is an on-going project with more parishes being added.	<b>Collect in Person</b>	<b>By Post UK</b>	<b>By Post Overseas</b>
