## The Hampshire Genealogical Society

To help with this research the HGS maintains the following for the County of Hampshire:

- **Marriage Index 1538 - 1837**
- **Burial Index 1400 - 1841**
- **Monumental Inscriptions Index**
- **Wills Beneficiaries Index**
- **1851 Census Index**
- **1891 Census Index**
- **Members' Interests**
- **Strays Index**

A quarterly journal - *The Hampshire Family Historian* - is published by the Society in *June, September, December* and *March*, which all members are entitled to receive during their year of membership. In each journal new members' interests are listed. The Editor welcomes articles, family trees, letters, items and comments for publication.

Further indexes available for consultation include:

These can all be obtained from the HGS Publications Sales Office. The Catalogue of Members' Interests is published periodically, which enables members to contact others with mutual family interests.
